

# 14th European Conference on Software Architecture (ECSA 2024): Tracks and Workshops in Aquila, Italy

The 14th European Conference on Software Architecture (ECSA 2024) will be held in Aquila, Italy, from September 10-12, 2024. The conference is a leading international forum for researchers and practitioners to share their latest work on software architecture.

The conference will feature a variety of tracks and workshops, covering a wide range of topics in software architecture. The tracks will focus on the following areas:

## Software Architecture: 14th European Conference, ECSA 2024 Tracks and Workshops, L'Aquila, Italy, September 14–18, 2024, Proceedings (Communications in Computer and Information Science Book 1269)

- **Software Architecture Fundamentals:** This track will focus on the foundational concepts of software architecture, including architectural styles, patterns, and principles.
- **Software Architecture Design:** This track will focus on the design of software architectures, including the selection and application of architectural patterns and styles.
- **Software Architecture Evaluation:** This track will focus on the evaluation of software architectures, including the use of metrics and techniques to assess the quality of an architecture.
- **Software Architecture Evolution:** This track will focus on the evolution of software architectures, including the management of architectural change and the impact of new technologies on architecture.

In addition to the tracks, there will also be a number of workshops on specific topics in software architecture. The workshops will provide an opportunity for researchers and practitioners to share their work in a more focused setting.

## Tracks

The following is a list of the tracks that will be offered at ECSA 2024:

- **Software Architecture Fundamentals**
- **Software Architecture Design**
- **Software Architecture Evaluation**
- **Software Architecture Evolution**

## Workshops

The following is a list of the workshops that will be offered at ECSA 2024:

- **Workshop on Software Architecture for Cyber-Physical Systems**
- **Workshop on Software Architecture for Big Data**
- **Workshop on Software Architecture for Cloud Computing**
- **Workshop on Software Architecture for Microservices**

## Important Dates

The important dates for ECSA 2024 are as follows:

- **Paper submission deadline:** March 15, 2024
- **Workshop proposal submission deadline:** April 1, 2024
- **Notification of acceptance:** May 15, 2024
- **Camera-ready paper submission deadline:** June 15, 2024
- **Conference dates:** September 10-12, 2024

## Submission Guidelines

Authors are invited to submit papers to any of the tracks or workshops at ECSA 2024. Papers should be original and unpublished, and should not exceed 10 pages in length. Papers must be submitted electronically in PDF format.

For more information on the submission process, please visit the ECSA 2024 website.

## Contact Information

For any questions about ECSA 2024, please contact the conference chairs:

- **General Chair:** Prof. Dr. Vincenzo Ambriola
- **Program Chair:** Prof. Dr. Alexander Egyed
