Clinical Focus

Dr. Swan's clinical focus is on providing comprehensive care for a wide range of orthopedic conditions, including:

* Sports injuries * Knee replacement * Hip replacement * Trauma surgery * Arthroscopic surgery

He utilizes the latest surgical techniques and technologies to ensure optimal outcomes for his patients.

Sports Medicine

Dr. Swan is a highly regarded sports medicine specialist. He has extensive experience treating athletes of all ages and levels, from recreational enthusiasts to professional athletes. He specializes in the diagnosis and treatment of sports injuries, including:

* ACL tears * Meniscus tears * Cartilage injuries * Fractures * Sprains and strains

Dr. Swan's goal is to help athletes return to their sport as quickly and safely as possible. He works closely with each patient to develop a personalized treatment plan that meets their individual needs.

Knee Replacement

Dr. Swan is a leading expert in knee replacement surgery. He performs both traditional and robotic-assisted knee replacements, utilizing the latest techniques to achieve optimal results. He specializes in the treatment of complex knee conditions, such as:

* Arthritis * Deformity * Instability

Dr. Swan's goal is to provide his patients with a pain-free, functional knee that allows them to enjoy an active lifestyle.

Hip Replacement

Dr. Swan is also a highly skilled hip replacement surgeon. He performs both anterior and posterior hip replacements, depending on the individual patient's needs. He specializes in the treatment of complex hip conditions, such as:

* Arthritis * Fractures * Deformity

Dr. Swan's goal is to provide his patients with a pain-free, mobile hip that allows them to participate in their daily activities.

Trauma Surgery

Dr. Swan is a highly experienced trauma surgeon. He specializes in the treatment of injuries caused by accidents, falls, and other traumatic events. He provides comprehensive care for a wide range of traumatic injuries, including:

* Fractures * Dislocations * Soft tissue injuries

Dr. Swan's goal is to provide his patients with the best possible care, regardless of the severity of their injuries.

Commitment to Patient Care

Dr. Swan is dedicated to providing his patients with the highest level of care. He takes the time to listen to each patient's concerns and develop a personalized treatment plan that meets their individual needs. He is committed to providing his patients with the most up-to-date and effective treatment options available.

Recognition and Awards

Dr. Swan has received numerous awards and accolades for his outstanding work in the field of orthopedics. These include:

* Castle Connolly Top Doctor * U.S. News & World Report Top Doctor * Patients' Choice Award * Fellow of the American Academy of Orthopaedic Surgeons

Dr. Stanton Swan is a highly skilled and experienced orthopedic surgeon who has dedicated his career to providing exceptional patient care. With a focus on sports medicine, knee replacement, and hip replacement, he has helped countless individuals regain their mobility and improve their quality of life. Dr. Swan is committed to providing his patients with the most up-to-date and effective treatment options available, and he takes the time to listen to each patient's concerns and develop a personalized treatment plan that meets their individual needs.
