In their latest adventure, the Faradays find themselves transported to feudal Japan, a land of samurai, geisha, and ancient spirits. Their mission: to prevent the Tengu, a malevolent demon, from destroying the world.

But the Tengu is not the only danger the Faradays face. They must also contend with the treacherous warlords of the era, who are eager to use the Faradays' time-bending abilities for their own gain.

As the Faradays race against time to stop the Tengu, they will discover that the past is not as simple as it seems. The choices they make will have far-

reaching consequences, and they will soon learn that even the smallest of changes can have a profound impact on the future.

### The Terror of the Tengu

The Tengu is a legendary creature from Japanese folklore. It is said to be a malevolent demon with a long nose, sharp teeth, and a cruel disposition. The Tengu is often depicted as wearing a red robe and a feathered headdress.

In the story, the Tengu is a powerful demon who has been terrorizing the people of Japan. The Faradays must travel to the past and defeat the Tengu before it can destroy the world.

### The Time-Tripping Faradays

The Faradays are a family of time travellers who have been travelling through time for generations. They possess the unique ability to alter the past, for better or for worse.

In the story, the Faradays are led by Dr. Samuel Faraday, a brilliant scientist who has dedicated his life to studying time travel. Dr. Faraday is joined by his wife, Mary, and their two children, Alex and Sarah.

The Faradays are a close-knit family who are always there for each other. They are also a very skilled team of time travellers, and they are always willing to risk their lives to save the world.

### The Adventure

The Faradays' adventure in feudal Japan is a thrilling and dangerous one. They must travel through time, fight off warlords, and defeat the Tengu.
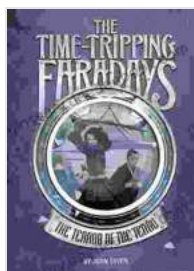

Along the way, they will learn about the history of Japan and the culture of the samurai.

The Faradays' adventure is a story of courage, sacrifice, and the power of family. It is a story that will stay with you long after you finish reading it.

The Terror of the Tengu is a thrilling time-travelling adventure that will keep you on the edge of your seat. Join the Faradays as they travel through time to uncover the secrets of the ancient Tengu and save the world.

The Terror of the Tengu is a standalone novel, but it is also the first book in a new series of time-travelling adventures featuring the Faradays. The second book in the series, The Curse of the Pharaohs, is due out in 2023.

If you are a fan of time travel, adventure, or mystery, then you will love The Terror of the Tengu. It is a story that will stay with you long after you finish reading it.
